DETAILED ACTION

Allowable Subject Matter

1. Claims 1-2, 4-10 and 12-16 allowed.
2. The following is an examiner's statement of reasons for allowance: the prior arts in the record fail to disclose or make obvious to a system or method for adjusting the transmissions from the at least one terminal to said plurality of servers based on the status of said plurality of servers by modifying at least one local transmission weight at said at least one terminal to move a load from at least one overloaded server to at least one non-overloaded server wherein said local transmission weight represents a probability of said at least one terminal distributing a data transmission to a particular server within the combination of the step or structure of the claim 1 or 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
